

Finding a Place & Making a Difference

The Broadmead Residents' Association (BRA) is your voice

Broadmead residents are a diverse, dynamic collection of strong intelligent voices. Together, they govern the Broadmead Residents' Association (BRA), and lead a growing group of activities and interest groups.

In the Quaker spirit of inclusion, each resident is a member of the BRA. The mission is to promote stimulating social opportunities to fellow residents — something they take very seriously — while creating a spirit of friendship and a productive community.

The BRA plans and organizes ongoing concert series and Adventures in Learning, as well as other activities, trips, entertainment, and special events. Thanks to its capable direction, there is something at Broadmead to captivate everyone.

Take a look on the other side to see a sampling of activities, classes, events and more that were started and are guided by the Broadmead Residents' Association.

Learn how living at Broadmead will keep you active and involved. Call 443-578-8008 today to schedule a personal appointment and tour.
